The Hood Canal Coordinating Council is a Watershed-Based Council of Governments consisting of Jefferson, Kitsap and Mason Counties and the Port Gamble S'Klallam and Skokomish Tribes. It was established in 1985 in response to community concerns about water quality problems and related natural resource issues in the watershed.

**Mission:** The Hood Canal Coordinating Council works with partners and communities to advance a shared regional vision to protect and recover Hood Canal's environmental, economic, and cultural wellbeing.

**Vision:** A healthy ecosystem is essential for thriving Hood Canal communities.

### **Core Values:**

- The environment and sustainable communities
- Collaboration among members for regional decision-making
- Engagement and feedback from our partners
- Progressive thinking and new ideas
- Scientific integrity
- Transparent decision-making
